

Request to Unblock a Website

Requestor Name: _____

School: _____

Date of use: Beginning _____ End _____

Website URL: _____

How will this site be integrated into the curriculum?

List the objectives that are being met through this website?

As the requester, I understand I am fully accountable for the use and access to this website and it will be in compliance with the PCS policies and procedures. Based on this web content, I feel it will enhance my instructional strategies and better assist me in meeting the NCSCOS objectives required to better serve my student's needs.

Requestor signature

Date

I have seen the request and agree, based solely the information provided above, the NCSCOS objectives align to what the requestor wants to accomplish instructionally.

Principal or AP signature

Date

Once the form is signed by both the requestor and either the principal or AP, the school's Tech Liaison will submit a Request to Unblock thru the Help Desk website.
